Datasheet

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK252 Case with punched lining universal, small

Universal one sided punched lining, no special recesses, suitable for ECO-Line, for example

Dimensions: 235 x 185 x 48 mm

Order article

GKK252	**Case with punched lining universal, small**	**art no. 601056**

GKK1000 Case for ECO-Line/G1000 series: temperature

Recesses for an ECO-Line device and compact temperature sensor GF1T/GF1TK max stem length 100 mm, direct probe GF2T and grill/oven probe GF3T/ GF3TK

Dimensions: 235 x 185 x 48 mm

Order article

GKK1000	**Case for ECO-Line/G1000 series: temperature, gray, blue locks**	**art no. 611603**
GKK1000-BLK	**Case for ECO-Line/G1000 series: temperature, black, red locks**	**art no. 475731**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK1002 Case ECO-Line/G1000 series water analysis small

With recesses for an ECO-Line / G1000 device and electrode + GFT1T temperature probe for water analysis

Dimensions: 235 x 185 x 48 mm

Order article

GKK1002	**Case ECO-Line/G1000 series water analysis small, gray, blue locks**	**art no. 411907**

GKK1001 Case ECO-Line/G1000 series water analysis universal

With recesses for an ECO-Line / G1000 device and accessories for water analysis pH: electrode, GPH-TAB-bottles, GRL 100, KCL 3M

Dimensions: 395 x 295 x 106 mm

Order article

GKK1001	**Case ECO-Line/G1000 series water analysis universal, gray, blue locks**	**art no. 611604**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK1003 Case for 2x ECO-line / G1000 series water analysis and 2x GPH-DOS buffer dosing bottles

Case with compartments for 2x ECO-Line / G1000 series water analysis and 2x GPH-DOS buffer dosing bottles, KCL 3 M GRL100, 2x Ø12mm electrodes + GF1T temperature sensor

Dimensions: 450 x 360 x 106 mm

Order article

GKK1003 **Case for 2x ECO-line / G1000 series water analysis , gray, blue locks** **art no. 411917**

GKK1100 Case with punched lining e.g. for ECO- / PRO-line universal, midsized

Universal punched lining, no special recesses, suitable e.g. for PRO-line with AX/DX probes with max stem length 180 mm.

Dimensions: 340 x 275 x 83 mm

Order article

GKK1100 **Case with punched lining e.g. for ECO- / PRO-line univ., midsized, gray, blue locks** **art no. 601060**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK1105 Instrument case soft lining e.g. for PRO-Line or GMH 3000, -5000

Soft case with recesses, e.g., for a PRO-Line or GMH 3000, -5000, temperature probe and accessories.

Dimensions: 340 x 275 x 83 mm

Order article

GKK1105 **Instrument case soft lining e.g. for PRO-Line or GMH 3000, -5000, gray, blue locks**

art no. 601050

GKK2021 Device case 2 layers, for 1x GMH 5500/7500 and 3 GPH-DOS pH buffers

2-level equipment case with recesses for pH measurement/water analysis for 1x GMH 5500/G 7500 and 3 GPH-DOS pH buffers, SDW 500 rinse water bottle, KCL 3M and 2 electrodes and accessories.

Dimensions: 450 x 360 x 140 mm

Order article

GKK2021 **Device case 2 layers, for 1x GMH 5500/7500 and 3 GPH-DOS pH buffers, gray, blue locks**

art no. 414760

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK3000 Device case soft lining for 1x GMH 3000

Dimensions: 275 x 229 x 83 mm

Order article

GKK3000	**GKK3000 Device case soft lining for 1x GMH 3000, gray, blue locks**	**art no. 601048**

GKK3001 Case for GMH 3000 series water analysis / universal

With recesses for an GMH 3000 device and accessories for water analysis pH: electrode, GPH-TAB-bottles, GRL 100, KCL 3M

Dimensions: 395 x 295 x 106 mm

Order article

GKK3001	**Case for GMH 3000 series water analysis / universal, gray, blue locks**	**art no. 611605**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

Case with punched lining e.g. for ECO- / PRO-line universal, midsized

Universal both sided punched lining, no special recesses, suitable for ECO-Line, for example

Dimensions: 275 x 229 x 83 mm

Order article

GKK3100	**Case with punched lining universal, small, gray, blue locks**	**art no. 601058**

GKK3500 Device case soft lining e.g. for 2x GMH 3000 or 5000

Dimensions: 395 x 295 x 106 mm

Order article

GKK3500	**Device case soft lining e.g. for 2x GMH 3000 or 5000, gray, blue locks**	**art no. 601052**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK3600 Case with punched lining universal, midsized

Universal single sided punched lining, no special recesses, suitable for ECO-/PRO-Line with accessories, for example.
Dimensions: 395 x 295 x 106 mm

Order article

GKK3600	**Case with punched lining universal, midsized, gray, blue locks**	**art no. 601062**

GKK3700 Case with punched lining universal, large

Universal both sided punched lining, no special recesses, suitable for ECO-/PRO-Line with accessories, for example.
Dimensions: 450 x 360 x 123 mm

Order article

GKK3700	**Case with punched lining universal, large, gray, blue locks**	**art no. 601064**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

GKK5001 Case for GMH 5000 / G7500 series water analysis / universal

With recesses for an GMH 5000 / G7500 device and accessories for water analysis pH: electrode, GPH-TAB-bottles, GRL 100, KCL 3M

Dimensions: 395 x 295 x 106 mm

Order article

GKK5001 **Case for GMH 5000 / G7500 series water analysis / universal, gray, blue locks** **art no. 611606**

CASE PRO-400 Case for PRO Line

Version: Recess for one PRO Line instrument, accessory storage space, carrying handle, zipper
Colour: light gray
Brand: SENSECA with imprint
Dimensions: 415 x 245 x 70 mm

Order article

CASE PRO-400 **Case for PRO Line** **art no. 486900**

Senseca Germany GmbH | Hans Sachs Str. 26 | 93128 Regenstauf | Germany | Phone: +49 9402 9383-0 | Mail: info@senseca.com | www.senseca.com

Transport cases and bags

for ECO-Line, PRO-Line und GMH Series

BAG-1000-ECO Soft bag, textile for ECO Line

Version: black, with hook and loop fastener, e.g. for ECO-Series + probe
Brand: Neutral, without imprint
Dimensions: ca. 455 x 85 x 60 mm

Order article

BAG-1000-ECO	Soft bag, textile for ECO Line	art no. 489398

BAG-1000-PRO Soft bag, textile for PRO Line

Version: light gray, with zipper, e.g. for PRO-Series + probe
Brand: SENSECA with imprint
Dimensions: ca 360 x 125 x 60 mm

Order article

BAG-1000-PRO	Soft bag, textile for PRO Line	art no. 486899
